interLiving

1 person: Sketch a map that illustrates the relationships among your family members and close friends.

A large grid of dotted lines for sketching a relationship map.

Finding out about users... Designers use a variety of sketching techniques to illustrate and communicate ideas, using simple symbols to represent concepts and dynamic events as well as objects.

Instructions: Ask a potential user to draw the current relationships between himself and other people in the form of a map, using whatever organizing scheme makes most sense: geographical, emotional, technical, genealogical, etc.
